Geography or Food.

Homework Policy

Homework should be purposeful and challenging. Homework should be checked during the next lesson, either by peer or self-assessment, or as appropriate to the task.

Homework times

Year 7 and 8 will receive approximately 60 minutes homework per day

Year 9 will receive approximately 90 minutes homework per day

Year 10 and 11 will receive approximately 120 minutes homework per day

Persistent homework offenders

A negative house point for homework is given by the subject teacher if a homework task is not completed or if it is not completed to an acceptable standard. A C3 detention should also be issued and logged on ePortal.

If the problem becomes persistent then the pupil will be placed on homework report by the class teacher.

Monitoring homework

Directors monitor that homework is set in their area as part of the Quality Assurance process termly.

Use of praise / rewards

Pupils can gain and lose house points for homework. Year 11 will earn the right to go to the Prom by the use of house points. This will also be done with activities day in other years.

Pupil Notebooks

A small notebook will be given to all pupils. This will be used to record the pupils class and homework timetables. Full details of all homework set can be found on Show My Homework.
