

PHYSICAL EDUCATION

Participation in a varied programme of physical activity requires a varied amount of sporting clothing and equipment at Philips High School. Pupils must bring PE kit to every lesson even if they are injured or excused. Lessons are adapted to suit each individual case and pupils will be involved in the lesson in some way other than performing.

If you have any questions regarding your child's Physical Education programme, do not hesitate to contact the department. We are always pleased to see you and discuss with you any aspect of Physical Education at Philips High.
