3. Barriers to future attainment (for pupils eligible for PP)

Academic barriers (issues to be addressed in school, such as poor literacy skills)

A.	Disadvantaged pupils enter Philips with lower KS2 scores than non-Disadvantaged pupils. 2022 DP average KS2 score in Maths was 99.4 and non DP average 104.8. In Reading DP was 101.9 and non DP average was 106.04										
B.	Poor reading skills of Disadvantaged pupils preventing access to examinations.										
C.	Disadvantaged pupils at greater risk of fixed term exclusion.										
D.	Examination results affected by attendance gap for disadvantaged pupils including the number of PA disadvantaged pupils.										
E.	Low resilience and engagement of disadvantaged pupils										
F.	Inconsistent teaching of disadvantaged pupils across all subject areas. Lack of awareness/strategies to raise achievement of disadvantaged pupils.										
Additional barriers (including issues which also require action outside school, such as low attendance rates)											
G.	Lack of parental engagement from some groups of disadvantaged pupils, as evidenced by lower engagement and attendance at parental events.										
H.	Lack of aspiration and/or awareness of opportunities of some disadvantaged pupils.										
I.	Attendance and punctuality of disadvantaged pupils.										
J.	Increased social, emotional and mental health issues are affecting the progress of disadvantaged pupils.										
K.	Lack of positive role models for some disadvantaged pupils.

Significant improvement across all year groups following intervention

Data provided in second reading task suggests that significant improvement has been made across all year groups with those <6 months reducing by over half. Additionally, the % of pupils significantly below their reading age has dropped from 29% across all years to 13%

Data provided that 56% of D students are below their reading age compared to non D students. The data also suggests that the gap is larger for KS3 students.

J/K Reduced number of fixed term suspensions for Disadvantaged pupils

Over the next three years, reduce that gap to 0. Reduce the number of fixed term suspensions across the school In 2021-22, D pupils received 37 fixed term suspensions, non-D pupils received 35 fixed term suspensions. D pupils received 2 more fixed term suspensions. While the gap was narrowed the number of suspensions increased.

Year 1: Tracking and individual intervention bespoke to the behavioural needs focused being embed. New staffing/key workers. Manchester United foundation mentoring provide support where identified.

I/J/K Raise attendance of Disadvantaged pupils in all year groups in order to decrease the proportion of pupils who are PA and ensure gap closes compared to non-Disadvantaged pupils.

In 2021-22 the attendance gap had grown to -4.51% with a -6.68% for PA. Reduce the gap to 0 though we recognise the difficulty in this given the recent challenges faced by schools and families.

Year 1: Attendance Gap has reduced by 0.6% but the PA gap has increased. Further intervention with Attendance officer, fixed penalties, home visits. From September 2023 a new member of employed to focus on attendance support.
