Dear Parent/ Carer,

Your child's GCSEs will continue after May Half Term, and we have reminded the students of the importance of balancing rest and revision in the examinations period. After our popular Easter sessions, several students asked if we could support them further by running some more in person revision sessions over the May Half Term break. The sessions take place in school. The timetable for these sessions is detailed below:

The number of places for each session is shown in brackets above. This is due to staff availability. If your child wishes to attend a revision session, we kindly ask for them to register using the following link: (<https://forms.cloud.microsoft/e/TjQgEi3WDj>). The register allows us to create fire evacuation registers in the event of an emergency. If we receive more interest than available places, places will be allocated on a first come first served basis. Students attending both am and pm sessions should bring a packed lunch.

For information, we are having some building improvement works during the May Half Term holidays so have limited the May Half Term Revision Sessions to a specified set of classrooms, toilets and social areas. Students will be supervised by staff, and we ask for students to stay in their allocated spaces throughout the day and not move through the rest of the building, for example there will be no access to lockers across the school.

We encourage students who enjoy in person revision sessions to attend May Half Term Revision Sessions. For those students that prefer individual study, we wish you all the best in your revision.

Wishing you a restorative break.

Kind regards,

Mrs De Angelis
